

# CleanBreak™ Rubber Flooring Care System

**CLEAN • DISINFECT • SEAL**

*Suitable for a wide variety of applications- including day care centres, office spaces, restaurants, hospitals, animal facilities, gyms- multi-purpose CleanBreak™ Cleaner & Degreaser is the first step in the multistep care system that is mild to the touch, easy on surfaces, yet tough on cleaning.*

*Next, the disinfectant tackles the toughest disinfecting challenges on both porous & non-porous surfaces, while also acting as a detergent, mildew-stat, deodorant, anti-bacterial and virucide! Finally, apply the water- and chemical-resistant sealant to seal porous surfaces to keep bacteria, fungus, & viruses out.*
